Hazero Everyday Spill Kit - General Purpose - 100L

Product Code: 13-1004

Product Features

There are some things we Kiwis didn't see coming. Like earthquakes and pandemics. But when it comes to spills these are totally foreseeable and everyone needs to be ready. No excuses.

These kits are designed to support medium sized work areas - automotive repairs and finishing to light manufacturing – anywhere that anything from anti-freeze to oils, fuels and cleaners could get loose.

As we all know, it only takes a little error, and everyone could be left cleaning up the mess. Stay ahead of the spill, prevent slips and contamination, and keep everyone safe.

Refill kit: 13-1004R.
