

Specification Sheet

Tall Gas Cylinder Store - Medium

Product Code: 04-1099

Product Features

Tall gas cylinders, by their nature, present some real challenges when it comes to housing and managing them compliantly.

This Chemshed Tall Gas Cylinder Store is specifically designed to safely store up to 6 x G-size cylinders, or 2 x S-size cylinders outdoors.

Robust restraining chains stop tipping or falling – not only protecting the cylinders themselves from damage but also safeguarding workers. The unit's heavy duty construction is combined with superior ventilation.

Features

- Forkliftable (when empty)
- Cylinder restraint chains keep cylinders upright (especially important in earthquake prone regions)
- Padlockable – to protect against theft or misuse

Specifications

- Perforated sheet metal construction
- Built to comply with the requirements of AS4332:2004 and AS/NZ1596:2008
- Supplied with Class 2 decals
