## Tall Gas Cylinder Store - Extra Large

Product Code: 04-1100

### Product Features

This seriously rugged unit is made for the really big jobs. Designed with all the bells and whistles it is lockable and stores up to 6 x S-size or 12 x G-size cylinders outdoors.

A clever, fold down ramp provides easy access when loading or unloading cylinders and forkliftable channels enable relocation.

With restraining chains and two adjustable restraining bars to suit varying cylinder sizes.

### Features

- Forkliftable (when empty)
- Cylinder restraint chains keep cylinders upright (especially important in earthquake prone regions)
- Heavy duty crane lifting bar
- Padlockable - to protect against theft or misuse
- Practical fold-down ramp makes access easy

### Specifications
