

Specification Sheet

Aerosol Store - 180 Can

Product Code: 04-1109

Product Features

Businesses want to be sure that their aerosol cans are stored safely and securely. Especially when they have a fair few of them. Cans present a real hazard when damaged, leaking, or exposed to an ignition source in a workplace. (We're talking explosion and fire here so, not a risk anyone wants to take.)

This rugged Chemshed Aerosol Store takes headaches away – whether it's safety and compliance or protecting against theft and misuse. With three levels of storage, it's lockable and can be bolted to the floor so it's not going anywhere any time soon.

Wall Bracket: 04-10613

Features

- Robust projectile protection for staff safety
- Perforated to comply with ventilation standards
- Two shelves (plus base)
- Practical design encourages compliance
- Lockable to discourage theft or misuse
