

Specification Sheet

Aerosol Store - 18 Can

Product Code: 04-1110

Product Features

This Chemshed Aerosol Store provides the storage safety, security and peace of mind smaller workshops deserve.

When not stored appropriately and compliantly, cans are fire and explosion hazards and the workplace gets cluttered. On top of that, damaged cans become potential projectiles. (Not good.)

Cans are also a target for theft and misuse - losing businesses money and resulting in damage to property. Lockable, with a durable, heavy duty construction, and bolt down plates, this store helps keep aerosols exactly where they're supposed to be – and not out painting the town red.

Wall Bracket: 04-10613

Features

- Robust projectile protection for staff safety
- Perforated to comply with ventilation standards
- Practical design encourages compliance
- Lockable to discourage theft or misuse
