## Gas Cylinder Store - 4 x 9kg

Product Code: 04-1112

### Product Features

Designed to safely and securely hold up to 4 x 9kg bottles of LPG, this Class 2 gas store is also built tough - to take the day-to-day rough and tumble of busy workplaces.

The perforated metal sheet construction provides the vital air circulation needed around the LPG bottles, and the unit is padlockable to guard against theft or tampering.

As a tip; in addition to no smoking anywhere near the store, remember to keep it clear of any combustible materials – like cardboard cartons, rubbish, or vegetation.

### Features

- Forkliftable (when empty)
- Cylinder restraint chains keep cylinders upright (especially important in earthquake prone regions)
- Padlockable – to protect against theft or misuse
- One adjustable shelf (plus base)

### Specifications
