

Specification Sheet

Gas Cylinder Store - 6 x 9kg

Product Code: 04-1126

Product Features

This heavy duty LPG store is a durable solution for storing up to 6 x 9kg gas bottles either indoors or outdoors.

The two practical levels of storage keep everything tidy and visible, while the strong lock and bolt-down footplates ensure a very high level of security.

Remember: if storing LPG indoors, the area must be very well ventilated, and the store situated so that emergency services have easy access, in case of a fire.

Features

- Forkliftable (when empty)
- Cylinder restraint chains keep cylinders upright (especially important in earthquake prone regions)
- Padlockable – to protect against theft or misuse
- One adjustable shelf (plus base)
- Bolt-down footplates for extra security and stability
