

Specification Sheet

Toxic Cabinet - 30L

Product Code: 04-1140

Product Features

Class 6 toxic substances take the need for care to a new level. It's essential to be at the top of your game, even storing small amounts. This compact cabinet is the answer - keeping staff safe from potentially harmful or even lethal contents.

We'd recommend siting it close to a water supply and effective hand washing facilities. (And, it goes without saying - nowhere near food.)

Additional Shelf: 04-1063P

Wall Bracket: 04-10613

Features

- Built to store just what you need
- Lockable, self-closing door
- Non-spark closure
- One adjustable shelf (plus base)
- Extra safety built-in
- All-round dependability and proven performance
