

Specification Sheet

Toxic Cabinet - 60L

Product Code: 04-1141

Product Features

Reliable, safe storage for Class 6 toxic substances. This taller cabinet has a compact footprint with the ability to hold larger containers of toxic liquids, guaranteeing complete security and compliance with the latest standards.

As with all Chemshed Toxic Cabinets we'd recommend you take extreme care with where it's placed. (Near hand washing facilities, away from doors, and away from food preparation areas.)

Additional Shelf: 04-1063P

Wall Bracket: 04-10613

Features

- Optimal space in a small footprint
- Lockable, self-closing door
- Non-spark closure
- One adjustable shelf (plus base)
- All-round dependability and proven performance
