

Specification Sheet

Toxic Cabinet - 160L

Product Code: 04-1143

Product Features

This robust cabinet, with its taller, double door configuration, has a generous 160L capacity and holds up to 8 x 20L drums of Class 6 liquids or multiple smaller containers safely and securely.

A high specification mid-range toxic substances solution, this combines easy access, high stock visibility and security against misuse. Fully bunded, for the protection of people and the environment.

Wall Bracket: 04-10613
