Organic Peroxide Cabinet - 160L

Product Code: 04-1302

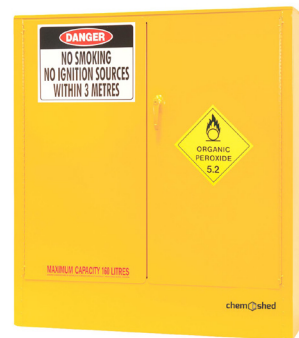

Product Features

Storing larger amounts of organic peroxides calls for exceptional levels of care and safety. This cabinet goes above and beyond both build requirements and compliance to safeguard Class 5.2 substances and everyone who works with them or near them.

A tried and trusted solution to hold these very dangerous products, the cabinets are deliberately over-designed and over-engineered for everyone's wellbeing and peace of mind.
