## Hazero Rocksorb - 20L Bag

Product Code: 12-1023

### Benefits

This very efficient and effective New Zealand-sourced pumice absorbent is so safe it could be used in family homes.

Non-toxic and non-hazardous it's a reliable and fast way to absorb oils, fuels and water-soluble chemicals in workplace spills; protecting workers from slips and falls, workplaces from potential contamination and, ultimately, our environment.

Easy to deploy and clean-up Rocksorb is one of the genuine "good guys" of loose absorbents.

Also recommended; Body Fluid Powder, Mineral Sponge, Enviropeat, Amphomag and Absorbent W.
