

Specification sheet

Hazero Aerosol Store – 70 can

Product Code: 41-0203

Benefits

Tagging and graffiti are just the start of what can go wrong when aerosol cans aren't stored securely and safely. And theft of any kind of aerosol leaves businesses out of pocket, while repeated break-ins mean insurance policies go up!

This Hazero Aerosol store solves these, and safety and compliance issues too. (No one wants their business shut down til they get things sorted.) It's purpose-designed and fabricated in New Zealand and is a response to feedback from our resellers (and their customers' demands for a size that fits their needs).

A removable shelf allows for tall and conventional cans to be safely contained in the same space. Remember: Class 2.1 dangerous goods must be stored separately from Class 3 (flammable liquids). Always.

Features

- New Zealand designed and fabricated
- Projectile protection keeps people and property safe
- Side wall perforation supports ventilation requirements
- 1 removable shelf (plus base)
- Practical design encourages compliance
- Lockable to discourage theft or misuse
- Option of hinging doors left or right to suit the space

- Complies with the design requirements of AS4332-2004.
- Weight: 17kgs
- External dimensions: 730 x 453 x 455mm (h,w,d)

The Hazero Shield of Honour is more powerful than a "lifetime guarantee".

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
