

Specification sheet

Hazero Flammable Cabinet – 100L

Product Code: 41-0303

Benefits

Designed for Kiwis by Kiwis, this under bench, double skinned, Class 3 flammable liquids storage is purpose built for busy New Zealand workplaces. It's large enough to keep everything safely stowed away without taking up space when work is flat-out. (Which is almost always.)

As an added bonus there's one place it's taken its foot off the gas. Because it's put together right here in NZ, it has a smaller environmental footprint.

Features

- Under bench design maximises available work area
- New Zealand designed and fabricated
- Sequentially, self-closing doors
- One adjustable perforated shelf (plus base)
- Easy to clean, built-in sump
- Lockable non-spark door closure
- Adjustable feet to keep everything stable
- Hazero Shield of Honour

Specifications

- Supplied with Class 3 decals
- Complies with the design requirements of AS1940:2017.
- Weight: 83kgs
- Internal dimensions: 460 x 1,010 x 410mm (h,w,d)
- External dimensions: 785 x 1,100 x 500mm (h,w,d)

The Hazero Shield of Honour is more powerful than a "lifetime guarantee".

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
