Hazero Flammable Cabinet – 30L

Product Code: 41-0301

Benefits

Optimising space and safety, this cleverly designed, double skinned, Class 3 flammable liquids cabinet is ideal for keeping small amounts of thinners, alcohols, acetones and other flammables, well out of harm's way. We'd recommend it for labs, schools, garages, and home workshops.

Bunded and robust, its recessed handle gives it an even smaller profile and means the handle won't catch on clothing or get knocked accidentally.
