## Hazero Flammable Cabinet – 60L

Product Code: 41-0302

### Benefits

This Class 3 flammable liquids cabinet has a small footprint – environmentally and physically. Fabricated in New Zealand (so it hasn't clocked-up all those air miles!) it also has a door closing mechanism in its roof space – so there's more room inside for containers. Sheer genius.

Because these double skinned cabinets are often used where space is tight, the recessed handle means there's less change of snagging on clothing or being knocked by passing equipment.

### Features

- Space-efficient

The Hazero Shield of Honour is more powerful than a "lifetime guarantee".

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
