safer working environments

## Hazero Lithium-ion Battery Safety Cabinet – Extra large

Product Code: 41-0106

### Benefits

Ideal for the largest batteries and larger operators, such as leisure equipment companies and storage warehouses, this Lithium-ion battery cabinet is the biggest and, if we say so ourselves, the best.

The flexibility that comes with the adjustable shelving, means you can configure this cabinet to suit not only the size of your batteries, but also the number. Adding an optional changing point (or three) means batteries can be charged in a safe and secure environment.

### Features

- Generous, secure storage
- Double sequentially-closing doors
- Designed and fabricated in New Zealand
- Two adjustable perforated shelves (plus base)
- Easy to clean built-in sump
- Lockable non-spark closure
- Adjustable feet to keep everything stable
- Hazero Shield of Honour

### Specifications

- Supplied with relevant hazard decals
- Follows the design requirements of AS1940:2017
- Weight: 155kgs
- Internal dimensions: 1,480 x 1,010 x 510mm (h,w,d)
- External dimensions: 1,805 x 1,100 x 600mm (h,w,d)

The Hazero Shield of Honour is more powerful than a “lifetime guarantee”.

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
