## Hazero Oxidising Agent Cabinet – 160L

Product Code: 41-0504

### Benefits

Reducing risks from of heat, friction and contact with incompatible substances is key to safely storing Class 5.1 oxidising agents.

For medium-level users, this larger, double skinned cabinet will safely store up to 160L of products. A great first line of defence, this cabinet combines safety and compliance with accessibility and practicality.

(Remember, before storing any oxidising agents carefully check the containers to make sure they are undamaged and labelled correctly. And avoid overcrowding in the cabinet.)

### Features

- New Zealand designed and fabricated
- Designed for those using a medium amount of oxidisers, on a regular basis
- Self-closing, close-fitting, non-latching door (as required by the Standard)
- One adjustable perforated shelf (plus base)
- High-spec safety performance – reducing risks from of heat, friction and contact with incompatible substances
- Adjustable feet to keep everything stable.
- Hazero Shield of Honour

### Specifications

- External dimensions: 1,230 x 1,100 x 500mm (h,w,d)

The Hazero Shield of Honour is more powerful than a “lifetime guarantee”.

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
