

Specification sheet

Hazero Premium Spill Kit - Chemical - 20L

Product Code: 13-1082

Product Features

Next level preparedness is an absolute prerequisite for anyone transporting even a small volume of harsh chemicals. (This is not fly-by-the-seat of your pants stuff.)

This professional kit is designed to effectively and efficiently address spills of strong acids, alkalis, and bases. These products can, and do, cause real damage and harm if not dealt with quickly and appropriately.

With specialist absorbents, and in a durable, easily tidied-away bag, this kit ensures certainty that, in the event of a spill, everything is on hand to deliver a good outcome.

Features

- For all liquids, including harsh acids
- High grade absorbents
- Includes nitrile Glove and Face Mask with P2 Valve
- Lightweight and super convenient to stow
- Quick to access in emergencies
