## Hazero Premium Spill Kit - General Purpose - 50L

Product Code: 13-1084

### Product Features

For medium-sized businesses dealing with a wide range of liquids on site, (yes, there are rather a lot of you) we recommend this G.P. of spill kits. Like its stethoscope-wearing namesake this compact, exceptionally versatile kit will handle a wide range of situations and contaminants effectively and professionally. And, importantly, stop them turning into something that requires a more drastic remedy.

With instructions and high-spec PPE, and strategically stocked with leading edge products including Drum Plug (which staunches the flow at source) it has everything needed for a calm, methodical approach to almost any spill predicament.

### Features

- For all mild liquids, including water based
- High grade absorbents
- Drum Plug stops leaks at the source
- PPE for responder protection includes safety goggles
- With Hazard Tape for spill area management
