

Specification sheet

REFILL - Hazero Everyday Spill Kit - Chemical - 200L

Product Code: 13-1002R

Product Features

With spills, it's important to learn from the one that just occurred and plan for the next one. That's especially true with aggressive chemicals. So, as soon as a Hazero Everyday Spill Kit - Chemical - 200L is deployed, the back-up refill should be right there and ready to go.

In addition to the leading harsh acid absorbents, it also has PPE to ensure responder protection, and response instructions to help keep workers, the workplace, and our environment safe from harm.

Features

- For all liquids, including harsh acids
- Includes PPE for responder protection
