

**Description:** Spill Sorb - 28L

**Product Code:** 12-1019

## Spill Sorb - 28L

### Product Features

Spill Sorb contains, controls and picks up unwanted liquid spills and removes sheen from floors, work surfaces and driveways.

Spill Sorb is made from 100% reclaimed cellulose fibre and absorbs liquids ranging from oil and solvents, to water and non-aggressive chemicals on contact.

- Organic general purpose absorbent
- Has a 3:1 absorption ratio by weight for most liquids
- Will neutralize common battery acid
- Suitable for incineration
- Light-weight and very effective on heavy oils
- Excellent performance on rough surfaces like asphalt
