

Description: Sorbent Sock - Aggressive

Product Code: 08-1005 / 08-1006

Sorbent Sock - Aggressive

Product Features

Surround, control and clean up spills of highly concentrated acids and other nasty chemicals.

This sock moulds easily around a chemical spill and won't degrade or cause a dangerous reaction when in action. An excellent sock for stopping a spill spreading further.

Available in two lengths; 1.2m and 3m.

| Product Code | Absorbs (per sock) | Dimensions (w,l) | Colour | Material |
|--------------|--------------------|------------------|--------|--------------------|
| 08-1005 | 4L | 75mm x 1.2m | Yellow | 100% polypropylene |
| 08-1006 | 10L | 75mm x 3m | | |
