

Specification Sheet

Work Floor - Large

Product Code: 01-1023

Product Features

The Controlco Large Work Floor doesn't let drips, or spills, compromise workplace safety. One of the lowest profile units with an inbuilt sump capacity capable of holding up to 4 x 200L drums compliantly, it's practical and durable.

Recommended as a reliable quick solution for new set-ups, growing businesses, or anywhere a bit of reorganisation is needed. The Work Floor securely captures spills and is easy to safely wipe out using Controlco Sorbent Pads.

Ideal for a range of container sizes, it is modular and scalable – to meet changing needs. The **Controlco Work Floor Ramp** is recommended to make access easy.

Features:

- 100% polyethylene - no rust or corrosion
- Chemical resistant
- Two removable grates make sump access easy
- Modular to scale up as needed using Work Floor Sump Connector Kit: 01-1088
