

# Specification Sheet

## Spill Pallet Dispenser - Single IBC

Product Code: 01-1027

### Product Features

Recommended as an accessory for the Controlco Spill Pallet - Single IBC, this simple but very effective dispenser clips onto the front of the spill pallet. This provides containment for minor drips while larger spills overflow back into the spill pallet's sump. Brilliant!

#### Features

- Durable
- Simple clip-on deployment

#### Specifications

- Capacity: 100L
- Weight: 9kgs
- Dimensions: 790 x 640 x 590mm (h,w,d)
