

Specification Sheet

Spill Tray - 100L

Product Code: 01-1040

Product Features

The largest in the Controlco Spill Tray range, this handles containers up to 20L, no worries at all.

Designed to make workplaces and work practices safer, its generous, easy-clean sump ensures liquids don't escape onto the workplace floor, causing slipping hazards and contamination.

Made from durable, 100% polyethylene it won't rust or corrode and will deliver a lifetime of reliable performance in even the toughest work environments.

For cleaning, we suggest Controlco Sorbent Pads and Safety Gloves.

Features

- 100% polyethylene - no rust or corrosion
- Durable and practical – built for the demands of busy Kiwi workshops
- Removable non-skid platform stops containers from sliding around
- Easy clean sump. (We recommend using Controlco Sorbent Pads for the job.)

Specifications

- Max load: 210kgs
- Sump capacity: 100L
- Weight: 14kgs
- Dimensions: 175 x 1,200 x 800mm (h,w,d)
