

Specification Sheet

Spill Deck - 4 Drum

Product Code: 01-1074

Product Features

The largest in the versatile modular Spill Deck system, this unit handles up to 4 drums. Its low profile makes it is easy to load , while its two, removeable, non-slip grates help keep users safe and containers secure.

A substantial but easy-clean sump keeps spills contained – protecting the work floor from slipping hazards and the risk of contamination. As an added bonus, it helps keep stocks organised and workplaces tidy.

Recommended for use with this are; the Spill Deck Ramp to make access easy and the Controlco Drum Trolley for good back health.

Features

- 100% polyethylene - no rust or corrosion
- Two removeable non-skid grates
- Modular – easily clips together with extra Spill Decks
