

Specification Sheet

Roll Top - Single IBC

Product Code: 01-1079

Product Features

Made to withstand New Zealand's challenging weather, this 100% polyethylene unit provides instant, compliant outdoor storage for an IBC.

The clever roll top design provides visibility and, combined with the front door which swings open, easy access.

Forkliftable (when empty) it is a flexible and reliable way to protect chemicals from the elements while meeting the needs of rapidly changing worksites or creating a bit of extra space when needed.

Assembly required.

Features

- 100% polyethylene - no rust or corrosion
- Forkliftable (when empty) for easy relocation
- Lockable roll-top design for security
- Front double-opening doors provide easy access
