

# Specification Sheet

## Modular Spill Pallet - 3 IBC

Product Code: 01-1085

### Product Features

Change is the only thing that's certain in business. This robust, cleverly designed Controlco Modular Spill Pallet allows for all the variables.

It creates a fully scalable, banded containment area that protects workers, workplaces, and our environment.

Flow through connectors or an unobtrusive expansion tank make achieving the sump capacity required seamless, and keeps the jobsite tidy and organised.

Assembly required.

### Features

- Modular, and scalable, to suit changing needs
- Robust construction
