

Specification Sheet

Modular Spill Pallet - 4 IBC

Product Code: 01-1086

Product Features

This system provides low profile, expandable, rugged storage for 4 IBCs.

The very generous sump means drips and spills are safely and compliantly contained -protecting workers, the workplace, and the environment.

Flow through connectors or an unobtrusive expansion tank make achieving the sump capacity required seamless and keeps the jobsite tidy and organised.

Assembly required.

Features

- Modular, and scalable, to suit changing needs
- Robust construction
