

Specification Sheet

Flexi Bund - Adhesive

Product Code: 02-1009

Product Features

This is what holds it all together! Controlco Flexi Bund Contact Adhesive secures Controlco Flexi Bund to floors for extra peace of mind wherever there's medium amount of forklift or vehicle traffic.

The adhesive keeps the bunds in place helping contain any spills or leaks and protecting the workplace and our environment.

If traffic is heavier, consider Controlco Flexi Bund Alloy Stripping and Anchors.

Features

- Easy application
- Reliable performance in workplace environments

Specifications

- 300ml tube
- One tube per 3m of Flexi Bund is recommended
