

Specification Sheet

Corrosive Cabinet - 160L

Product Code: 04-1073

Product Features

For medium users of Class 8 corrosive liquids, this cabinet is a very sensible choice. 20L containers can be stored comfortably and securely; it's robust and easy to access and its visibility helps prompt compliance with best practice.

Fully-featured and durable the cabinet ensures people and the environment are protected, and that the contents are not likely to be stolen or misused.

Additional Shelf: 04-1066P

Wall Bracket: 04-10613
