

Specification Sheet

Controlco Everyday Spill Kit - Oil Only - 100L

Product Code: 13-1003

Product Features

Marinas are this oil only Controlco Spill Kit's natural habitat. But these kits are also suited to small fuel stops or anywhere waterside maintenance work is happening.

Inside the handy, wheeled bin is everything that's needed to deal with an oil spill in or near water, helping protect our environment and keeping aquatic life safe.

The kit includes targeted absorbents that lift hydrocarbons off water in minutes, along with PPE gear (including coveralls), to keep responders safe, and Hazardous Waste Bags for when it's all done and dusted.

Refill kit: 13-1003R.

Features

- For oils, fuels, and solvents – not water
- Easy to deploy
- Robust and weatherproof
- Includes PPE for responder protection
- With tamper tag for peace of mind
