

Specification Sheet

Controlco Everyday Spill Kit - Chemical - 50L

Product Code: 13-1008

Product Features

A big part of calmly and successfully handling potentially highly dangerous spills is knowing the solution is right there when its needed. This kit provides that confidence.

Along with basic PPE, and a very useful Spills Response Procedure Guide, this kit has chemical resistant absorbents that will take care of harsh liquid spills and help ensure that incidents are dealt with quickly and safely, and sites are compliant.

Strongly recommended for light-manufacturing, and all other companies using harsh chemicals. Sized to be stored under-bench, out of the way but ready to go.
