

# Specification Sheet

# Controlco Everyday Spill Kit - Chemical - 20L Pail

Product Code: 13-1015

## Product Features

For businesses storing, or using, harsh chemicals its essential to have appropriate responses sorted in case something untoward happens. Because, despite best intentions, it will.

This kit provides everything that's needed to prevent a small chemical spill from becoming a threat to workers, the workplace, and our environment.

With absorbents specifically designed for responding to spills of strong acids, alkalis and bases, this kit provides reassurance, and the back-up workers need.
