

Specification Sheet

Controlco Starter Spill Kit – General Purpose - 20L

Product Code: 13-1076

Product Features

The team often say that general purpose spill kits are the “first aid kit” for spills. That’s because they’re suitable for cleaning up a whole range of the liquids that most often cause slips, falls, nuisance, and contamination around the place. (And because, quite seriously, everyone should have one.)

With one of these kits on hand, you’re ready to deal with all those annoying little leaks, drips, and oops moments! From water to oil, it’ll be almost like it never happened. And the kit is quick and easy to use too.

Think you’re likely to have a bigger job on your hands? Maybe go for the Controlco Starter Spill Kit – General Purpose – 50L | 13-1078.
