

Specification Sheet

Roll Top - Drum

Product Features

Totally weatherproof, this durable outdoor unit can be padlocked for extra security and peace of mind. Extremely popular, it provides that extra bit of storage everyone needs.

It will comfortably hold 2-4 x 200L drums depending on model keeping them dry and secure while providing easy access as and when needed – which means pumping right from the drum is hassle-free.

Delivered flat packed, the unit has a hard cover to catch leaks, drips and spills and help with compliance and storm water regulations. At the same time, valuable liquids and pumping equipment are kept safe and sound.

Features

- 100% polyethylene - no rust or corrosion
- Forkliftable (when empty) for easy relocation
- Lockable roll-top design for security
- Front double-opening doors provide easy access

Roll Top - 2 Drum
