## Drain Protector - Nitrile

Product Code: 22-1012 | 22-1013

### STEP 1

- Be sure all stones, branches, or other debris are removed from the drain you are covering.
- Remove the Drain Protector from its packaging.

Step 1

### STEP 2

- Center the Drain Protector over the drain you are sealing.
- For a tighter seal, place a solid weight or weights, on top of the Drain Protector.
- Never attempt this if the spill has already reached the drain.

Step 2

### STEP 3

- The Drain Protector can be reused as long as it remains flexible and is kept clean.
- To clean, wash the Drain Protector in warm water with a non-abrasive detergent or petroleum solvent cleaner.
- Store the Drain Protector out of direct sunlight.

Step 3
