

Specification Sheet

Explosives Storage Day Box - 20kg

Product Code: 04-1121

Product Features

This Explosive Storage Day Box helps ensure everything goes exactly as planned on the jobsite or at public fireworks displays.

Ideal for medium or larger users, the box is designed and constructed to mitigate risks including accidental ignition, theft and misuse. Features include a heavy-duty locking system and a full, non-spark timber lining.

We recommend using it in conjunction with an Explosives Storage Cabinet for bulk storage.

Features

- Twin handles for easy transportation to work sites or pyrotechnic exhibition areas
- Double-layer protection with anti-spark solid timber inner and fully welded 2mm steel outer
- Designed for the needs of trained explosive professionals
