

Specification Sheet

Explosives Storage Cabinet - 100kg

Product Code: 04-1122

Product Features

This very sturdy and compliant explosives storage solution, takes a bit of the weight off the shoulders of approved handlers tasked with managing, documenting, and controlling access to, explosives.

Designed for larger, more permanent Class 1 storage, particularly heavy industries such as mining, quarrying, rail and civil construction, it protects against the constant risks of accidental ignition, theft or misuse.

For day-to-day explosive use pair it with an Explosive Storage Day Box.

Wall Bracket: 04-10613
