Hazero Spill Pallet - 4 Drum

Product Code: 01-1021

Benefits

This durable, UK-manufactured, polyethylene pallet provides total peace-of-mind when it comes to containing possible spills from drums. (An area where, given the potential for contamination and harm, it's definitely better to be safe than sorry.)

Low profile and easy to load, the pallet keeps drums containing hazardous substances stable and secure thanks to non-slip grates.

Tried and tested, this Spill Pallet is the most popular in our range.

Features

- 100% polyethylene - no rust or corrosion
- Removable non-skid grate for hassle-free sump access for emptying and cleaning
- Forkliftable (when empty) for easy relocation
- Hazero Shield of Honour

Specifications

- Max load: 1,250kgs
- Sump capacity: 250L
- Weight: 37kgs
- Dimensions: 305 x 1,460 x 1,460mm (h,w,d)

The Hazero Shield of Honour is more powerful than a "lifetime guarantee". It means our reputation is on the line not only when a product is sold, but every single time it is used. If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge. You don't need a receipt. Or even a reason. No questions asked. Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation. Shield your people. Shield your business.
