Hazero Work Floor - Large

Product Code: 01-1023

Benefits

The Hazero Large Work Floor doesn't let drips, or spills, compromise workplace safety. One of the lowest profile units with an inbuilt sump capacity capable of holding up to 4 x 200L drums compliantly, it's practical and durable.

Recommended as a reliable quick solution for new set-ups, growing businesses, or anywhere a bit of reorganisation is needed. The Work Floor securely captures spills and is easy to safely wipe out using Hazero Sorbent Pads.

Ideal for a range of container sizes, it is modular and scalable – to meet changing needs. The Hazero Work Floor Ramp is recommended to make access easy.

Features

- 100% polyethylene - no rust or corrosion
- Chemical resistant
- Two removable grates make sump access easy

- Dimensions: 150 x 1,600 x 1,600mm (h,w,d)

The Hazero Shield of Honour is more powerful than a "lifetime guarantee".

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
