

Hazero Spill Pallet - Single IBC

Product Code: 01-1025

Benefits

IBCs (Intermediate Bulk Containers) have definite logistical advantages over cylindrical containers, but they also need special care.

An economical and instant storage solution for a single IBC unit, this Hazero Spill Pallet is fit for purpose and will stand up to the rigours and challenges of dangerous substance storage and containment.

A generous sump deals very effectively with any drips and spills. And it's a breeze to clean using Hazero Sorbent Pads.

Optional dispenser: 01-1027

Optional weather cover: 01-1030L

Features

- 100% polyethylene - no rust or corrosion
- Flat, removable grate for safe loading and quick sump access
- Forkliftable (when empty) for easy relocation
- Hazero Shield of Honour

Specifications

- Max load: 2,500kgs
- Sump capacity: 1,260L
- Weight: 86kgs
- Dimensions: 700 x 1,680 x 1,680mm (h,w,d)

The Hazero Shield of Honour is more powerful than a "lifetime guarantee".

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
