Hazero Drum Trolley

Product Code: 01-1029

Benefits

This combined drum transporter/drum unit has a number eight wire attitude written all over it. Robust and versatile, it takes the labour, time and OSH implications out of moving, decanting, and storing drums. Loading and unloading vertically is easy thanks to the clever kick-stand that'll take you back to your motorbike days, while the four-point wheels deliver control and stability. Ideal wherever space is tight, it is fully bundled with a generous sump so there's no risk of spills. Highly recommended for warehouses and manufacturing.

Features

- Portable, space efficient drum storage
- Compatible with a standard 205L drum
- The inbuilt sump is easy to clean with Hazero Sorbent Pads
- Lockable front wheels for safe dispensing
- Ratchet strap safety support
- Back-saving ergonomic design
- Hazero Shield of Honour

Specifications

- Sump capacity: 250L (when horizontal), 3L (when vertical)
- Max load: 300kgs
- Weight: 41kgs
- Dimensions: 680 x 1,740 x 815mm (h,w,d)

The Hazero Shield of Honour is more powerful than a "lifetime guarantee". It means our reputation is on the line not only when a product is sold, but every single time it is used. If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge. You don't need a receipt. Or even a reason. No questions asked. Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation. Shield your people. Shield your business.
