

Hazero Spill Tray - 40L

Product Code: 01-1036

Benefits

Ideal for labs, this handy Hazero Spill Tray provides very effective secondary containment and helps create discipline when organising hazardous substances.

Made from 100% polyethylene, so there's no risk of rust or corrosion, it's durable, lightweight, and designed to keep spills and drips safely contained until they can be cleaned-up. (We suggest Hazero Sorbent Pads to take care of that!)

When not in use, the trays can be easily stored – freeing-up work space.
