Hazero Spill Tray - 60L

Product Code: 01-1038

Benefits

Battery acid has a bad reputation for a very good reason. Its very real dangers mean keeping batteries and battery acid safely contained should be a workshop priority.

This Hazero Spill Tray is just what's needed. It helps keep things organised and tidy and, importantly, means that any accidental knocks, drips, leaks or spills are not going to be a huge disaster.

Made from 100% polyethylene, so there's no risk of rust or corrosion, it's durable, lightweight and easy to clean with Hazero Sorbent Pads and Safety Gloves.

Features

- 100% polyethylene - no rust or corrosion
- Durable and practical – built for the demands of busy Kiwi workshops
- Removable non-skid platform stops containers from sliding around
- Easy clean sump. (We recommend using Hazero Sorbent Pads for the job.)
- Hazero Shield of Honour

Specifications

- Max load: 200kgs
- Sump capacity: 60L
- Weight: 9kgs
- Dimensions: 175 x 1,000 x 600mm (h,w,d)

The Hazero Shield of Honour is more powerful than a "lifetime guarantee".

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
