

## Hazero Spill Tray - 100L

Product Code: 01-1040

### Benefits

The largest in the Hazero Spill Tray range, this handles containers up to 20L, no worries at all.

Designed to make workplaces and work practices safer, its generous, easy-clean sump ensures liquids don't escape onto the workplace floor, causing slipping hazards and contamination.

Made from durable, 100% polyethylene it won't rust or corrode and will deliver a lifetime of reliable performance in even the toughest work environments.

For cleaning, we suggest Hazero Sorbent Pads and Safety Gloves.

### Features

- 100% polyethylene - no rust or corrosion
- Durable and practical – built for the demands of busy Kiwi workshops
- Removable non-skid platform stops containers from sliding around
- Easy clean sump. (We recommend using Hazero Sorbent Pads for the job.)
- Hazero Shield of Honour

The Hazero Shield of Honour is more powerful than a "lifetime guarantee".

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
