

## Hazero Spill Pallet - 4 Drum

Product Code: 01-1043

### Benefits

This is well and truly thinking outside the square. Ideal for compliantly storing up to 4 x 200L drums, it can be deployed along a wall, a walkway, or in other narrow spaces that would otherwise seem unusable.

Its durable, 100% polyethylene construction means it's corrosion proof and rust proof. Fully bunded, to catch drips and spills, it's also forkliftable (when empty) for easy relocation if needs change.

### Features

- 100% polyethylene - no rust or corrosion
- Three removable non-skid grates for hassle-free sump access for emptying and cleaning
- Forkliftable (when empty) for easy relocation
- Hazero Shield Of Honour

The Hazero Shield of Honour is more powerful than a "lifetime guarantee". It means our reputation is on the line not only when a product is sold, but every single time it is used. If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge. You don't need a receipt. Or even a reason. No questions asked. Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation. Shield your people. Shield your business.
