

Hazero Spill Pallet - Triple IBC

Product Code: 01-1095

Benefits

Designed to comfortably accommodate 3 x IBC units, this economical Hazero Spill Pallet with its flat platform, makes dispensing from IBCs safe and easy. (And that's what everyone wants.)

It combines the convenience of IBCs with the spill-safe certainty and compliance that dangerous substances demand.

Please note: as this unit has a shared sump, chemicals stored in each IBC must be compatible. Storing incompatible chemicals may result in damage or harm.

Features

- 100% polyethylene - rust or corrosion
- Flat, removable grates for safe loading and quick sump access
- Forkliftable (when empty) for easy relocation
- Hazero Shield of Honour

- Sump capacity: 1,300L
- Weight: 86kgs
- Dimensions: 470 x 3,255 x 1,340mm (h,w,d)

The Hazero Shield of Honour is more powerful than a "lifetime guarantee".

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
