

# Specification sheet

## Hazero Flexi Bund - Adhesive

Product Code: 02-1009

### Benefits

This is what holds it all together! Hazero Flexi Bund Contact Adhesive secures Hazero Flexi Bund to floors for extra peace of mind wherever there's medium amount of forklift or vehicle traffic.

The adhesive keeps the bunds in place helping contain any spills or leaks and protecting the workplace and our environment.

If traffic is heavier, consider Hazero Flexi Bund Alloy Stripping and Anchors.

### Features

- Easy application
- Reliable performance in workplace environments

### Specifications

- 300ml tube
- One tube per 3m of Flexi Bund is recommended
